Affiliated with the Illinois Hospital Association and American Society for Healthcare Risk Management

Agenda

Thursday, May 31st Networking Dinner

Long 9 Lounge - Crowne Plaza

Social Hour: 5:30 | Dinner: 6:30 pm

Please note: Dinner is not included in the registration fee.

Objectives

This didactic and interactive program is designed to educate healthcare professionals on current issues affecting hospital risk management. Participants will learn strategies to accomplish goals established to improve patient care and reduce risks to the hospital.

- Understand your Behavior creates Your Brand. Your Behavior determines what people say about you.
- Demonstrate the ways in which privacy laws affect risk management and litigation activities, including a particular emphasis on the Personal Information Privacy Act.
- Identify best practices in telehealth and telemedicine.
- List appropriate actions to be taken in the event of a cyber breach.
- Discuss current topics in risk management as they relate to current case law.
